# Your ID card, now on your phone

## On the go with you

You're on the move, your phone always with you. Now your member ID card is, too.

It's no longer plastic. *It's digital.*

So it's always there when you need care. Right on your student health website, for wherever life takes you next.

## The cool thing to "carry"

Digital cards are the next big thing. A game changer. The future — but now.

- You can't lose it.
- You don't need to wait for it in the mail.
- It's very earth-friendly.

Plus — your info is all in one place, safe and secure. That's pretty awesome.

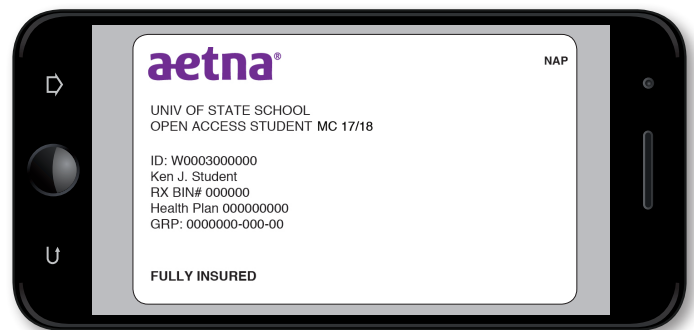

## Piece of cake

Just log in to your member website at **aetnastudenthealth.com** to get your digital card. If you like, you can print it out.

Or save it to your picture collection on any mobile device, ready to share at your next doctor's visit.
